<b>Please hand in your application to</b>	_____

### Offenburg University of Applied Sciences

~ 4.400 students (~ 590 international students) in the fields of **Mechanical Engineering & Process Engineering, Electrical Engineering & Information Technology, Media & Information Engineering and Design, Business Administration & Industrial Engineering.**

One campus is located in the city of Offenburg ("Campus for Engineering Programmes") and two campuses in the historic town of Gengenbach ("Campus for Business and Industrial Engineering Programmes").

Undergraduate courses are generally taught in German, but we also offer a great variety of undergraduate courses in English language. Master programmes are taught in German and International Master Degree programmes in English.

For detailed information, please check our website: <http://incoming.hs-offenburg.de/en/exchange-students-and-special-programs/>

Accompanying **German language classes** are offered during the lecture period; an intensive course of German language and culture takes place every September for four weeks and orientation days take place every March, prior to semester start. Any effort to learn German is recommended and appreciated.

**The city of Offenburg** (population: appr. 60.000) is located in southwest Germany in the Federal State of Baden-Württemberg, at the foothills of the Black Forest, the European capital Strasbourg (France) is in the west (distance 20 km) and Switzerland in the south (120 km). The city and the surrounding region are known for beautiful landscapes, picturesque towns and very good quality wines.
